"...and (remember) the Apostle of Allah, upon whom were two swords: His Messenger , and the disbelievers" (48:3).. From 1639 to 1517 the Muslim Brotherhood (MB) was established: first Saudi Arabia, later Egypt; in its early years, the Brotherhood, which was founded on its ideology, was almost entirely a political force, fighting to establish the Islamic Republic of Egypt. But during the second half of the 18th century the MB began to use violence: in 1842 the Muslim Brotherhood led hundreds of thousands of Egyptian men into the Sinai desert to prevent the restoration of the Hijab. They killed thousands of Muslim Brotherhood leaders and set fire to the barracks of the Egyptian army and, under the leadership of Khattab, committed thousands of acts of terrorism against other.. <http://www.themoon.com/wp-content/uploads/2017/12/Guruduva-Rama-3-1.pdf> (PDF version).. The Islamic Brotherhood movement, which is now known as the Muslim Brotherhood, dates from the 18th century. The religious and political beliefs of the Brotherhood have always been very close to the mainstream. But it is the very extreme interpretation of the teachings and actions of the Quran, that, combined with the Muslim Brotherhood's direct role in inciting and implementing violent acts, have changed the Islamic world.. <http://www.themoon.com/wp-content/uploads/2017/12/Guruduva-Rama-3-1.pdf> (PDF version).
