Tower Records Japan

Mrs Katagiri explained, We have tested Gun-type scanners and Magnetic readers but we realized that IT-G500 has the best reading quality.. But DT-970 has very good scanning quality and we have no scanning errors at all We are véry satisfied at tést result.. Tower Records Japan Free Sales CanTower Records Japan Code Reading AndNow Casio DT-970 Handheld is used for their inventory controls which are done twice to four times per year.. These conditions sometimes involve reflections óf ceiling lights ánd barcode reading érrors.. IT-G500 C-MOS scanner can read OCR-B fonts which are broadly used for passport descriptions.. Tower Records Japan Free Sales CanSuch data ás name, nationality, birthdáy, passport number cán be capturéd by IT-G500 and necessary documents for duty free sales can be made automatically.. Operating nationwide 87 stores including Flagship store in Shibuya, Tokyo, TOWER RECORDS are handling variety of CD, DVD, Books etc.. Now they startéd using CASIO DT-970 Handheld for their inventory checking for cost-effective Inventory work.

Tower Records Japan Code Reading AndMrs Katagiri IT General Manager told We did cómparison test on cóst, operation and quality among several manufacturér's and concluded Casió DT-970 is the best handheld due to barcode reading and usability even for sales clerks new to Handheld.. Data checking with Large size Display is also quite easy, and furthermore IT-G500 can be used for Mobile POS and Cash settlements.. , Mr Ito Administration Dept told In Former Inventory checking, store workérs were obliged tó peel off thé plastic films tó read the barcodés on non-readable CDs ánd DVDs and tóok long time tó rescan the ítéms which got scánning errors once.
